

Thank you for joining **ICFLA's Group and Team Coaching Special Interest Group**. In order to make the most out of this SIG, please:

- Engage in the 90 minute SIG as you would with your clients. Distractions away, webcams on.
- During the panel, please have your webcam off and mute your phone. It is recommended you modify your view so "hide non video participants" so you only see the panelists until we break into groups.
- Please log in from your computer or download zoom on your phone as we will break out into groups at the end of the session.
- Please share your insights and questions in a compelling and concise 30 seconds or less and be conscientious with how often you speak in the large group.
- Bring your questions and your insights, this is a highly interactive SIG and we appreciate your engagement.

November 17th 1030 am-12 pm Pacific: Group & Team Coaching Panel: Resources and Best Practices

Panel description:

Panelists will share resources and best practices for delivering Group & Team Coaching. The panel will focus on best practices for establishing the coaching agreement, trust and intimacy with the group, and establishing and maintaining coaching presence in the group and team coaching setting.

Participants will walk away with resources and best practices related to:

- Establishing the Coaching Agreement in Group & Team Coaching Engagements
- Creating Trust & Intimacy in the Group & Team Coaching setting
- Determining and maintaining Coaching Presence in Group & Team Coaching in contrast to other training and consulting engagements

Questions for the panel:

- How and why did you become a Group and/or Team coach?
- What best practices or recommendations do you have for Establishing the Coaching Agreement in Group & Team coaching engagements?
- What best practices or recommendations do you have for determining and maintaining Coaching Presence in Group & Team coaching in contrast to other training and consulting engagements?
- What do you find most challenging and/or fulfilling about Group & Team Coaching?
- What else would you like us to know about Group & Team Coaching?

Thank you to our panelists:

[Cory Colton](#) is the Principal Executive Coach at Inflection Point Coaching. He is an executive talent, learning, and culture leader with over 20 years' experience in industries such as healthcare, automotive, telecommunications and financial services. Cory is also an ordained interfaith minister and opera singer. He brings all of those varied perspectives to his practice coaching leaders, teams and groups.

[Julian Humphreys PhD, PCC](#) is a Toronto-based Executive and Leadership Coach working with organizational leaders, startup entrepreneurs and family businesses. He has developed a wide range of tools and frameworks to build leadership capacity, particularly in the areas of decision-making and effective communication. He is a recognized expert in coaching psychology, and teaches a course for coaches called Psychology for Coaches that is accredited for 36 CCEUs through the ICF.
